**Tuesday, October 17, 2017 (Toronto)** - The Mayfair Toronto Pro League (MTPL) is the only professional team tennis league in the Toronto area where the top players in the city compete for prize money and prestige. MTPL draws tennis fans from all over the greater Toronto area, as they watch top-tier tennis from courtside seating. The competition takes place every two weeks at Mayfair Clubs Lakeshore and East locations, starting at 6:30pm.

"We are so impressed by the number of companies and individuals that want to be involved in this groundbreaking team tennis event," said Ken Crosina, MTPL Coordinator, Director of Tennis at Mayfair Clubs and official voice of the Rogers Cup. "Players are challenged at a very high level, sponsors get to reach out to our large tennis community and spectators enjoy watching incredible tennis and taking part in fun courtside activities."

The MTPL boasts over \$13,000 in prize money and players that are top ranked, including past ATP and NCAA athletes. It is free for guests who enjoy intimate courtside seating, in-seat food and beverage service and fun sponsor activities for the entire family.

"The level of tennis is incredible," says Conor Casey, co-captain of Team Oleiva. "We were not sure what to expect on the first night, but all four teams came out battling!" The MTPL is made possible by the support of 24 generous sponsors, including the presenting sponsor, RE/MAX Hallmark Pierre Carapetian Realty Brokerage and team sponsors, Authentic Asset Management, The Supreme Court, Oleiva and Wingfield.
