

Attention Players/Coaches,

Tennis Canada is currently seeking university and college level athletes to participate in the first annual Canadian University and College Campus Tennis Championships in Saskatoon, Saskatchewan (May 17-19, 2013). Tennis Canada is working diligently with various other Provincial Tennis Associations to offer Canadian university and college athletes the opportunity to participate in the first annual Campus Tennis Championship event. This tournament is available to all universities and colleges in Canada; however, our primary focus is on schools currently without a varsity or club tennis program and schools that do not compete in the National Championships (this includes regular season play and regional qualifications). This tournament is fun and exhilarating and will provide athletes with a high level of competition while focusing on the development and growth of university and college tennis across the country. In addition, this tournament will promote fair play, and continuously build friendships.

In order to be eligible, players must be enrolled full time at an accredited post secondary institution. Teams should consist of a minimum of 2 males and 2 females (optimal 4 males, 2 females) with no maximum. Schools are permitted to submit more than one team, should they wish to. Each fixture will consist of 5 matches. The match formats include:

- Men's Singles
- Women's Singles
- Men's Doubles
- Women's Doubles
- Mixed Doubles

Please note that all teams are to be self funded and athletes will be responsible for their own travel costs, meals, and accommodations. There will be a \$50.00 registration fee for each athlete that will be paid at the time of registration. Tennis Canada will contribute financially and make efforts to ensure that registration costs are kept low. Tennis Canada will also assist in making arrangements with local hotels.

Registration deadlines are:

- Saskatoon, SK – Friday May 10<sup>th</sup>, 2013

If you, or anyone you know are interested in participating or anyone interested in coaching a team at this event, please contact [universitytennis@tenniscanada.com](mailto:universitytennis@tenniscanada.com) for more information.
