Progressive Tennis (Kids Tennis) is growing rapidly in Canada over the past 9 years. Painting permanent 60 foot courts at your facility is the next step to ensure progressive tennis can easily be incorporated into your clubs programming.

Purpose:

- To provide funding to clubs interested in adding ¾ court lines for up to 4 courts.

Grant Amount

- A fixed amount of \$400 per court to a maximum of \$1600 for 4 courts

Procedure to receive grant

- Club to complete application form
- Club to agree if courts are resurfaced within the next 3 years to ensure replacing ¾ court lines
- If accepted, Tennis Canada to provide confirmation of acceptance
- Club to make arrangements to complete project on own
- Tennis Canada to provide payment upon submission of invoice received from club
- Club to provide Tennis Canada photos of courts once lines have been painted
- Club to allow Tennis Canada to promote on website
